“We deliver the goods – on time, on track, on the money.”

Every company with a product must keep it moving efficiently, cost-effectively and safely to their customers or distributors – year in and year out – in order to stay in business. If you're responsible for this critical transportation activity in your company, you know that can be a headache.

High Street Logistics can help. Our product is reliable transportation, and we're here for the long haul.

Reliable freight transportation services – anywhere, anytime, for less.

High Street Logistics is your full-service, 'one-stop' source for complete freight transportation services throughout the United States, Canada and Mexico. As your Freight Transportation Provider, we offer local, regional and national service through our network of Independent Shipping Agents across the country, as well as access to thousands of trucks daily looking for loads to haul – or back-haul – at affordable rates. Put simply, we help you find the best value transportation for your shipping dollar.

Specializing in all modes of transportation:

- Truckload & Less than Truckload (LTL) shipments
- Refrigerated Trucking
- Dry Vans
- Specialized/ Over Dimensional Hauls
- Flatbed Services
- Multi Modal
- Rail

Other services include:

- Load Tracking** – Keeping you informed throughout the entire shipment.
- Expedited Service** – When it absolutely has to get there right away.
- Consulting** – Assistance with least cost shipping.

Customer service driven, we're proudly building our business through **hard work, reliability, integrity and follow-through** – one satisfied customer at a time.

Let us show you how our commitment to excellence can benefit your company. We invite you to:
